INVESTIGATE SEWERAGE

Local people have been much interested in the information suit brought against the Hager Straw Board & Paper Co., which will be up for hearing early next month in Common Pleas Court.

The petition for the suit alleges we are told that poisonous matter is turned into the creek causing insanitary pollution. We have been unable to

hear of a single farmer west of town that ever has had stock die on what was regarded as poisonous water from Marston Creek. The very fact that live stock on most of these farms used this water when everything was turned into the creek without all effect certainly is proof that the water is far from impure in that respect.

A new version has been ventured by some farmers who say that common sewerage has been found in the water and that this evidently has had much to do with the odor said to be noticeable at times near Old Town.

This being the case there is but one institution that can be held to account for such and that is Wilberforce University. We are not informed whether this institution has a sewerage disposal plant or not. At any rate it is a matter that should be investigated.

NOW YOU MAY TRY THIS GREAT MEDICINE FREE!

NOW IS YOUR CHANCE TO PROVE THAT TONING UP YOUR LIVER WILL END THAT TIRED, RUN-DOWN FEELING. BUILD YOURSELF UP! WIN BACK SOUND DIGESTION, STRENGTH AND ENERGY—FEEL YOUR VERY BEST AGAIN!

In his private practice Dr. H. S. Thatcher demonstrated that such symptoms as Indigestion, Gas on a Sour Stomach, Belching, Dizziness, Colds that Hang on, Sick-Headaches, Constipation, Pimples, that Tired Feeling and a general Run-Down condition of the System, are often the result of a sluggish Liver—and that relief in such cases comes quickly when the liver is properly cleansed and toned, and the System's working normally again.

Why This Gives Relief
When working as Nature intended your Liver does three things necessary to keep you feeling your best. First, it purifies your BLOOD, every drop of which passes through your Liver every fifteen minutes. Second, your Liver furnishes the essence that is essential to perfect DIGESTION. Third, your Liver supplies the secretions. Nature uses to lubricate the intestines so that your Bowels can move naturally, gently and regularly every day. When your liver becomes sluggish it cannot do these three things; consequently, you suffer from one or more of the symptoms described above.

Share It With Family!
Just approve to you that you CAN get quick relief, druggists are giving away FREE liberal trial sized bottles of Dr. Thatcher's Liver and Blood Syrup. It is a syrup of PURELY VEG

If presented before the supply for free distribution is already given away. Read the full details above, then act at once, as this offer is limited. Get a trial size now by presenting this coupon to RICHARDS DRUGSTORE By the Bridge, Cedarville, O.

SENATOR BURKE COMING

Candidate for Nomination for Governor

Senator J. F. Burke of Elyria, candidate for the Republican nomination for Governor, will speak in Cedarville in front of the post-office Friday afternoon at 3 P. M. Senator Burke and his flying squadron are stopping here on their "swing" around the circle by which the Senator hopes to reach a large part of the Ohio electorate before the August primaries.

Burke is said to be one of the great orators in the state and speaks in the open air in order to accommodate the large crowds which come to hear him.

He is a man of wide business experience, being at the present time president of a manufacturing company, director of a bank, publisher of two newspapers, and connected in one capacity or another with several additional enterprises.

Burke is closely allied with the Christian element. He was a delegate to the recent General conference of the Methodist church at Springfield, Mass., Chairman of the Lorain county community chest drive, and is now President of the Elyria Y. M. C. A.

Senator Burke has been Attorney for the Anti-Saloon League of New Jersey, Oregon, and Michigan.

Burke was elected by overwhelming majorities to the Senate from the 27th joint senatorial district for two successive terms. In the Senate he consistently fought for Child labor laws, minimum wage laws, and other Social Justice legislation.

We are informed that no other candidate is now making an attempt to speak all over the state as is Senator Burke and the citizens of Cedarville should take advantage of this opportunity to hear one of the leading candidates in the race for the Republican nomination for Governor.

The Democratic national convention in New York City has a field of more than a dozen aspirants for the presidential nomination. The convention will be held on the 14th and 15th of August. Governor Smith of New York and W. H. McAdoo each have a large list of instructed delegates. Neither an win under the two-third rule.

Indications do not favor former governor Cox of this state. As for dark horses John W. Davis of West Virginia, or Senator Ralston of Indiana, the latter being the most likely at this hour.

ELMER GRAHAM DIES AFTER LINGERING ILLNESS

Elmer Graham, aged 34, one of our well known young farmers, died last Friday morning at seven o'clock at the home of his parents, Mr. and Mrs. Hiram Graham, on the Columbus farm following an illness of three years.

Mr. Graham was taken ill with tuberculosis about three years ago last February, and all that could be done in medical treatment and change of climate was afforded, but without avail. He spent the past winter in

Florida and the previous one in El Paso, Texas. He had only been home about two weeks previous to his death.

The deceased was born in Fayette county, December 23, 1894. He married Miss Edna Spang, daughter of Mrs. E. M. Spang, of Xenia, who survives with one daughter, Mildred, three years old.

The deceased served as guardman during the World War at Springfield, Mass. He belonged to the American Legion and was also a member of the M. E. church of this place.

Besides his parents, wife and little daughter, the following brothers and sisters survive: Mrs. Ella Snyder, Springfield; Dr. W. H. Graham, of Springfield; Mrs. Viola Anselm, of Youngstown; Addison Graham, Xenia; Mrs. Earl Gephling, Xenia; Charles, Walter, and Harry and Misses Mada and Maude Graham.

The funeral service was held from the home of the parents last Monday afternoon. Burial took place at Woodland, Xenia. The funeral service was in charge of Rev. Stevens, and Rev. V. E. Busler, of Eaton. The American Legion had a part in the service at the grave.

REPUBLICANS HIT BRAND ROAD PLATFORM

(Continued from Page 1)

One of the questions that Candidate Marshall is going to be forced to answer or decline to state his position is about his vote if nominated on the anti-tobacco bill. He owes it to the W. C. T. U. to state his position previously. The users of the word have a right to know how he intends to vote. D. Pemberton may be the lobbyist for the American Tobacco Company, who is to control the Marshall vote, but the W. C. T. U. should have it settled now before the primary.

Greene county will have a candidate at the coming primary for Republican State Central Committee from the Seventh District, of which this county is a part. It has been many years since that honor fell to old Greene that usually casts as big a rural majority for the party as any county of its size. Deputy County Auditor Paul H. Creswell has filed for this place. Mr. Creswell has been the able and efficient deputy under County Auditor Wead the past four years. In that time he served two terms as clerk of the Greene County Board of Elections. After leaving public school Mr. Creswell attended Cedarville College and in 1917 volunteered the service of his country in the World War by entering the air service. He was located in Italy for 17 months and became a commissioned officer. Upon his return and appointment as deputy auditor he was active in organizing the Joseph P. Mooney American Legion Post in Xenia. Mr. Creswell was born and reared on a farm south of Cedarville and has many friends that will interest themselves in the success of his election to this honor.

COLLEGE ATTENDANCE TO BE MUCH LARGER THIS YEAR

Dr. McChesney informs us that all signs now point to the largest attendance for Cedarville College this fall when the institution opens. Already fifty or more have entered the Normal Department. It is known that 70 or more of the collegiate students this past year will return with more to hear from. At least fifty Freshmen are now on the list and new students showing up each day. More than 200 students will be on hands at the opening of college in September.

REVIEW—REHOBAM TO NEHEMIAH

GOLDEN TEXT: "Righteousness exalteth a nation: but sin is a reproach to any people." Prov. 14:34.
PRIMARY TOPIC: Selected Stories of the Quarter.
JUNIOR TOPIC: Main Events of the Quarter.
INTERMEDIATE AND SENIOR TOPIC: Chief Persons of the Quarter.
YOUNG PEOPLE AND ADULT TOPIC: From Rehobam to Nehemiah.

Three methods of review are suggested:

I. Modern Application of the Outstanding Teachings of the Quarter's Lessons.

For adult classes qualified members may be asked to present the teachings of the quarter along the following lines:

1. Patriotism. It should be pointed out how the nation suffered and was utterly ruined because of the lack of patriotism.

2. The need of real education. Because the people were not taught about God they went into idolatry. The real need of the nations of the world today is to be taught about God.

3. Evils which afflict society, such as luxurious indulgence, tampering with the occult, necromancy, etc.
This method is always interesting and can be adapted to all grades. The most outstanding men in the history of Israel and Judah appeared in this quarter's lessons, namely, Rehobam, Jeroboam, Ahab, Elijah, Elisha, Amos, Hosea, Athaliah, Hezekiah, Isaiah, Jeremiah, Nehemiah, etc. These can be assigned to different members of the class the previous week to present the outstanding lessons associated with each character.

II. The Summary Method.

This means pointing out the central teaching of each lesson. The following suggestions to that end are offered:

Lesson 1. The kingdom so gloriously administered in David's time reached its climax under Solomon, but because his heart was turned from God through the influence of his heathen wives God determined that the kingdom would be rent from him. Rehobam's wicked stupidity in refusing the counsel of experienced men caused the work of two generations to be undone in a moment.

Lesson 2. Elijah's struggle with Baal proves that the Lord is the true God and that because He does respond to the prayers of His people He alone is entitled to be worshipped.

Lesson 3. The proof that Elisha was chosen by God to succeed Elijah was that his anointing of the Spirit was discernible by the sons of the prophets and that he did singular and even greater things than Elijah.

Lesson 4. Those who give themselves up to the practice of sin will ultimately come to ruin. The wages of sin is death.

Lesson 5. Israel went into exile because of her sin, according to God's promise made through Amos. God's word cannot fail.

Lesson 6. In spite of Athaliah's wicked purpose to destroy the seed royal, Joash of Mesiah's line was preserved and elevated to the throne. No purpose of God can eventually fail.

Lesson 7. Hezekiah, when threatened by the Assyrians, resorted to God's house and sought the prophet of God. God's house is the sure resort of His people when in distress and His ministers are best qualified to give help.

Lesson 8. Because Jeremiah faithfully declared God's word, God delivered him from his enemies.

Lesson 9. Judah, like Israel, went into captivity because of her sin. God never forgets the faithful ones nor fails to punish the wicked.

Lesson 10. Though Israel's leaders failed, and their failure involved the nation in ruin, the Good Shepherd will eventually come and deliver them and exalt them to their proper place among the nations.

Lesson 11. When the period of the captivity was fulfilled God caused a remnant to return. God never forgets. He can even move the heart of a heathen king to fulfill His purpose.

Lesson 12. Through the reading of God's Word the people were revived and they put away their sins. The only way to bring a revival in righteous living is to bring the people to know God.

Rejecting the Truth

Has God predestinated some to be lost? Certainly not. There is no such thought in Scripture. The reason why some perish is their own deliberate rejection of the truth. "Because they received not the love of the truth, that they might be saved."

Will Not Accept

God will not accept the oily words of new thought for the sacrifice and atonement of Christ.—The Living Word.

The Controversy

A controversy with one who preaches the word of God, is with God—not the preacher.—The Living Word.

One Hundred and Eight years—YOUNG—today! Yes! I've seen panthers—hunt their prey: Seen wild Indians—literate and bold— In that far time—when YOUTH calls old!

Seen men build—where giants of trees— Towered lordly heads—told the quickening breeze: Seen wild water birds—nest and breed— Where the farmer now ploughs and plants his seed.

Seen from the primeval forests—grow— Dwelling, churches and schools—which you know. Seen sturdy men and maidens—of bold pioneers— Be FIRST for their country! Give their love and their tears.

We live and we build and we plant our fields, And we earn our crops—when Nature yields: And we love—and—we hate—in the same old way! Yes! We're One Hundred—Eight years YOUNG today.
